

# Invested in outcomes? So are we.

Healthcare is in crisis. Prices are soaring. Resources are being stretched and quality patient care cannot be compromised.

We are here to help and support.

Partnering with Mölnlycke is a step toward better outcomes for your patients, staff, and bottom line.

## Proof.

We verify the quality and effectiveness of our solutions with in-depth research and testing to support excellence in patient care.

## Value.

We are committed to delivering improved clinical, patient, and economic outcomes that enhance patient care and lower overall cost.

## Support.

Our Clinical, Health Economics, and Sales Teams are devoted to understanding your needs and helping you achieve your goals.

Better outcomes begin *here*.™

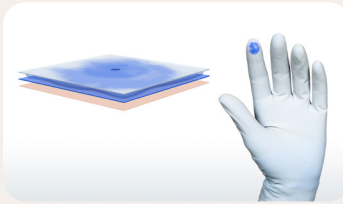

# Mölnlycke is home to some of the most trusted brands in healthcare.

For over 175 years, we've been devoted to radical innovation to enhance the experience, safety and comfort of patients and clinicians.

## Mepilex® Foam Dressings

- **93% of patients** prefer Mepilex® dressings with Safetac®,<sup>1</sup> all-in-one dressings for prevention<sup>2</sup> and management of wounds.
- Our Mepilex® Bordered Foam Dressings have **more than 7x** clinical efficacy evidence than any other foam dressings on the market.<sup>3</sup>
- Mölnlycke Advanced Wound Care Solutions also include Incision Care, Turning and Positioning, Chronic and Burn Wound Management.

## Biogel® Surgical Gloves

- The Biogel® Puncture Indication® System™ can increase breach detection to **90% up from 36%** using the same color gloves.<sup>4</sup>
- **Achieve glove standardization** through our preferred portfolio while meeting the varied needs of all clinicians.<sup>5</sup>
- **Increase utilization savings** through reduced glove failure<sup>6</sup> and streamlined glove selections.

## HibiClens® Antiseptic Skin Protection

- HibiClens® is **effective against clinically relevant pathogens**, proven to kill on contact and maintain a persistent antimicrobial effect. The cleansing process lifts debris and bacterial spores while remaining gentle on the skin.<sup>7,8</sup>
- The HibiClens® portfolio offers a **variety of sizes** for small to large healthcare organizations and “always on” digital education and training tools.
